

Protestor's
Caroling for
Justice Song
Book

**Which Side Are You on
(Requiem for Mike Brown)**

(song to the tune of Which Side Are You on)

Which Side Are You On Friend

Which Side Are You On

Justice for Mike Brown is Justice for Us All

Which Side Are You On Friend

Which Side Are You On

Justice for Mike Brown is Justice for Us All

Which Side Are You On Friend

Which Side Are You On

Justice for Mike Brown is Justice for Us All

Life is Hell

(Song to the tune of Silver Bells)

**Busy racists, busy racists.
Dressed in KKK style
In the air
There's a feeling of bias
Bigots laughing
Racists passing
Every mile after mile
And on every street corner you'll hear**

**Life is Hell, Life is Hell
It's a racist time in the city
Ring-a-ling, hear them sing
Slim hope for justice today**

**Taps of Keyboards
Even keyboards
With a slur and a meme
As the trolls troll
Protestors with hatred
Feel the gut punch
From the bad bunch
This is a racist's big scene
And above all of this bustle
You'll hear**

**Life is Hell, Life is Hell
It's a racist time in the city
Ring-a-ling, hear them sing
Slim hope for justice today**

Trampled Rights

(Song to the Tune of Silent Night)

**Trampled rights, Trampled rights
We are calm, they're not bright
Round yon Ferguson Gassed and Denied
Bruises from Clubs so Tender and Mild
Please stop the Police
Please stop the Police**

**Trampled rights, Trampled rights
Protestors quake at the sight
Glories stream from teargas afar
How could our country do this to us
Yikes, our rights are all gone
Yikes, our rights are all gone
Silent night, Holy night
Corruption has come to light
Radiant beams from this disgrace
Still have hope of redeeming this place
These police are ruining the earth
These police are ruining the earth**

The Justice Song

(Song to the Chestnuts Roasting on an Open Fire)

**No True Bill Set Our Soul on Fire,
They think it's over we suppose,
Protestors' carols being song by a choir,
Sting of tear gas in our nose.**

**Everybody knows racism and old Jim Crow,
Helped to make the city blight.
Protestor's with their eyes all aglow,
Will find it hard to sleep at night.**

**They know that Justice is on its way;
No thanks to Nixon, Mcculloch or even Slay
And every mother's child wonders why,
Black children in this country have to die.**

**And so I'm offering this simple phrase,
To the Feds to who we now look to,
Although its been said many times, many ways,
We are Americans too**

White Christmas

Song to the tune of White Christmas

**They're dreaming of a white Christmas,
Just like the ones the bigots know
Where justice is missing and fairness isn't
Because fairness and justice they don't know
They're dreaming of a white Christmas,
Just like the ones the bigots know
Where Fox News they listen and reason is distant
Equality they don't know
They're dreaming of a white Christmas,
With every tweet and slur they write
Our cities are filled with terror and blight
And all of their Christmases are white
I'm dreaming of a white Christmas,
Just like the ones the bigots know
Our cities are filled with terror and blight,
And all of their Christmases are white
Their dreaming of a white Christmas,
With every tweet and slur they write
Our cities are filled with terror and blight,
And all of their Christmases are white
Maybe one day they will see the light
Until then all of their Christmases are white
And all their Christmases are white (All of their Christmases are white)
And all of their Christmases are white (All of their Christmases are white)
And may they one day see the light
(May they one day see the light)
(May they one day see the light)**
